Details of Education Resources and Facilities Available

Our Institution is located in the Lautoka town and easily connected to major residential area in west through Bus and other mediums of transport, we have also renovated our institution as per the Recommendations & Requirements of Fiji Higher Education Commission.

The facilities include;

Two spacious Computer Laboratory, Lecture Room, Resource Centre, Common area for students, Staff room, Kitchen Room, separate washrooms for Girls, Boys and staff, Counselling room and Front desk Reception. In addition, we are also occupying three class rooms, which need to be renovated for future expansion.

Our Resource Centre (Library) have collection of I.T, Networking, Accounts, Sales & Marketing, Graphics, Programming, Business Administration, Tourism/ Hospitality and other subject books along with DVDs to help student in achieving better Marks & Grades. Fast Internet connection is also available in Library for the Online research. The computer are all networked for sharing recourses & information, we also have Broadband / Wi-Fi internet connection which is made available to all students in the classrooms through our network on PC & student's laptops for study and resource materials.

Have provided comfortable sitting arrangements and air conditioners for students, have also equipped our classroom with better teaching aid, our trainers are provided with Laptops and Projectors.

To support our programs, the computer labs consist of 18 terminal each having dual core processor for faster processing , 2GB Ram for better speed 80-120GB hard drive for Data storages, 22 inches Monitors for larger view with appropriate Graphic Cards. As regards to the software requirement we have window 7 operating system along with Borland C++, Open Office Package and ADOBE CS5 for Graphic Design and MYOB primer student's edition softwares. Our Academic staff is combination of well Qualified & Experienced faculties and also includes fresh graduates from universities like USP, FNU and UniFiji.
